testimonial videos

Harness the power of testimonial videos – and have your customers endorse your products. Testimonial Videos are a great tool and can be used in many ways to increase sales and are very cost effective. [Click here](#) to see what a client from Total Ag Solutions has to say about the benefits of testimonial videos.

“Most people prefer to absorb content through watching video. There are over four billion video views per day.”

Option 1

Cost Saver Package

Capture your client’s message and save!

- A professional camera operator will film high-quality footage of your business
- You’ll receive short ‘how to’ instructions guiding you on how to capture your clients’ testimonials
- Simply capture the testimonial on your smartphone or tablet
- Send the footage to Zotmedia and we’ll do the rest!

Example...

Please [click here](#) to see Ken's testimonial for the M9540 Tractor.

Option 2

Full Service Package

Leave it up to us!

- A professional camera operator will film high-quality footage of your business and capture your clients’ testimonials
- Zot media will package it into a professionally finished Video

Example...
