TV and Radio Advertising

# 'FIND A Farmer' TV and radio package

- The Field Days were a golden opportunity to connect with farmers and do a deal!
- But with all events cancelled, the opportunities to expose your offering has been severely diminished.
- Zot Media has created a special media package designed to help your business more effectively reach farmers across the country.
- 'Find a Farmer' TV and Radio Package will track farmers from Daylight to Dark and showcase your products/services on their farm.
